[checkbox practical-sessions use_label_element "Bridge Taster Session on RealBridge (details to

</div>

- 2- Remember to also update the Email template to reflect the new /edited fields

Subject	BAMSA Conference 2021
Additional headers	Reply-To: [your-email]
Message body	<div>From: [your-name] <[your-email]></div> <div>Subject: Conference 2021</div> <div>Message Body:</div> <div>Event Name: [event-name]</div> <div>Your Name: [your-name]</div> <div>Your Email: [your-email]</div> <div>Your Address: [your-country]</div> <div>Your Role: [role-organisation]</div> <div>Your Category: [select-type]</div> <div>Event Name : [event-name]</div> <div>Event Time:[event-time]</div> <div>Category : [category-type]</div> <div>Program Schedule : [program-schedule]</div> <div>Practical Sessions: [practical-sessions]</div> <div><div><input type="checkbox"/> Exclude lines with blank mail-tags from output</div><div><input type="checkbox"/> Use HTML content type</div></div>
File attachments	

- 3- Now test the form and complete all the new or edited fields
- 4- Then follow screenshots below to make new fields visible in the database as per below

Bridge A MindSport for all

Hi, Sandhya Singh

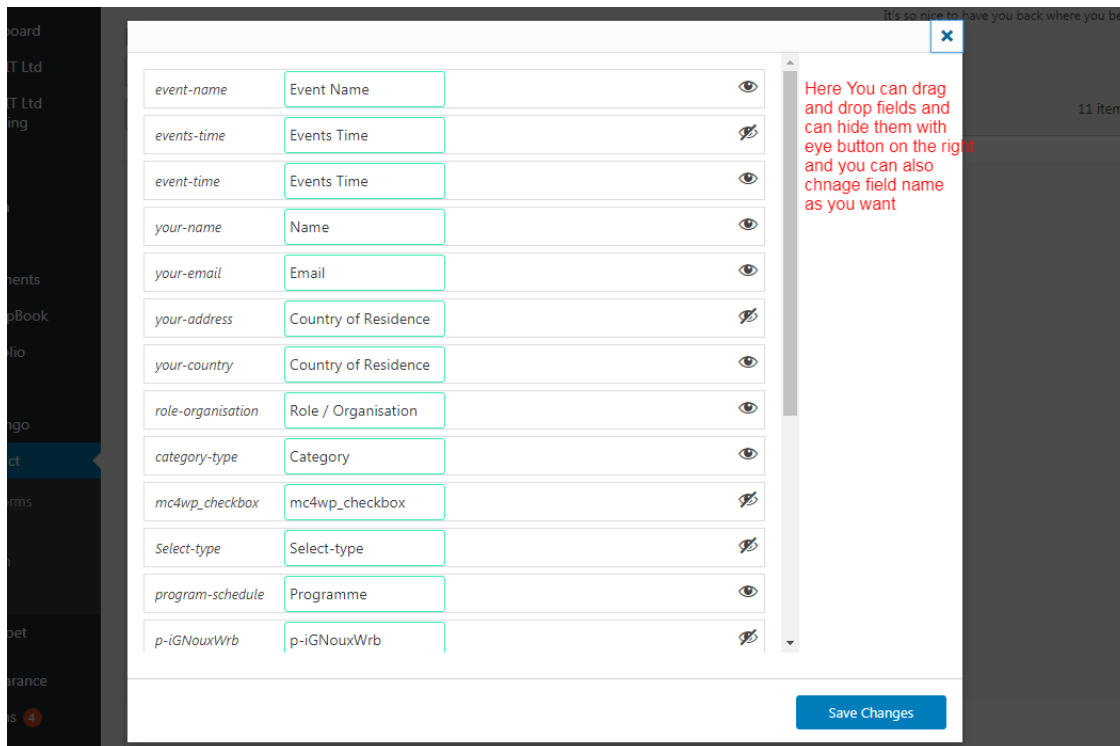

It's so nice to have you back where you belong
